How to Submit your Paper to Easy Chair

Congratulations! You have a paper completed and are ready to submit it to MODSIM using EasyChair.
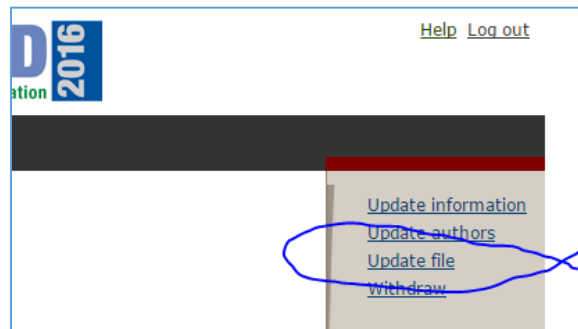

Follow these EasySteps and you'll be able to update your existing submission with your paper. By the way, this works for updating your paper after submission as well.

Step 1: Log into EasyChair

Step 2: Select the "My Submissions" tab and then your Submission Number.

Step 3: In the upper right, select "Update File"

Step 4: Upload your PDF file, and Click "Submit"
