ATTENTION M&S FANS! MODSIM World 2017 will once again feature the Modeling and Simulation (M&S) Challenge Competition.

MODSIM World 2017 wants to cultivate an environment, in this age of data, where talented individuals can use the power of M&S to solve problems important to their community, government, business or industry sector. Developers, analysts, and subject matter experts can all participate in this unique competition and demonstrate the power of M&S.

Participating teams will have approximately ten weeks to develop a solution for a real world problem, using Modeling and Simulation.

To enter, merely submit a challenge competition abstract to MODSIM World 2017. Selected entries will be invited to participate in the competition leading to final judging at the MODSIM World 2017 conference in Virginia Beach where an award will be presented to the winning team. Rules and judging criteria are available at the MODSIM World website.

M&S Challenge Competition registration is open from
1 October 2016 to 7 December 2016.
